Inash Al-Uusra's Child Sponsorship Program

Our child sponsorship program is a beacon of hope, uniting friends from around the world in a tangible act of solidarity and compassion. The program began in 1968 with a commitment to support unprivileged Palestinian children affected by the isolation and severe living conditions imposed by the Israeli occupation. This program continues to play a vital role in connecting Palestinian children with the outside world and advocating for a just Palestinian cause while fostering personal relationships. As Palestinians and supporters of Palestine, we are confident that we won't be able to advance our collective struggle for freedom if we don't simultaneously work to ensure that all members of our community are getting the support they need.

In the face of years of ongoing suffering, we continue to rely on the kindness and generosity of our friends from all over the world to play this critical supportive role. To those who have walked this challenging path of deprivation with our children, offering them hope and love along the way, we extend our heartfelt appreciation.

Currently, due to the increasingly tough political and economic conditions, and as Israel continues its genocides on Gaza, the list of children in need of sponsorship is growing exponentially. Many children have lost their family members and have to live with the traumas of war. Children are forced to drop out of school in search of work to support their families. One way to address this dire situation is to continue rallying support for the Child Sponsorship Program.

Who is a sponsored child?

The program supports children who are impoverished, orphaned, disabled, or in need of medical care.

Your contributions directly address urgent health and education needs, with sponsored children carefully selected by the Association.

Who is a sponsor?

A sponsor is someone who provides financial aid to a child in need, sending a powerful message of hope and care.

What is the amount of sponsorship?

The average annual contribution is \$1,200, and you can choose to co-sponsor a child or support more than one child. Receipts will be provided and kept in the child's file.

Your sponsorship pledge can be paid annually, bi-annually, or monthly. We accept payments in cash or through bank transfers to our Bank account.

What is the duration of sponsorship?

Children enrolled in the child sponsorship program have faced many challenges and instabilities in their lives. We request a commitment of at least one year from sponsors.

If, for any reason, you're unable to continue support, please notify us in advance so that we can find another sponsor.

How do you become a sponsor?

- Fill out the sponsor information form with basic details about yourself (used solely for program purposes).
- Specify the amount and frequency of your financial support.
- Select a child based on gender and location.
- We will provide you with detailed information about your sponsored child.
- We will encourage you to maintain a special connection with your sponsored child.
